PARADE SAFETY RULES, AGREEMENT, & CERTIFICATION**

Purpose

The Chamber's purpose in adopting these Parade Safety Rules, Agreement, & Certification (the "Rules") is to create a safe event for all applicants, participants and spectators who participate in the annual Independence Day Parade.

The Applicant, as defined at the end of these Rules, and all its participants, including, but not limited to, all drivers, walkers, and performers (each a "Participant" and collectively, "Participants"), are required to review these Rules prior to submitting a parade entry and to sign these Rules indicating that they have read and understand these Rules, and that they and all vehicles are in complete compliance with these Rules before the parade begins, that they shall keep all vehicles and trailers in complete compliance with these Rules at all times during the parade, that they will obey all of these Rules at all times during the parade, and that they acknowledge the Chamber's right to enforce these Rules at all times and in any manner the Chamber deems advisable.

Rules

1. **Vehicle Licensing and Registration.** Vehicles and trailers shall be properly licensed and registered with the state of Maryland.

2. **Vehicle Maintenance.** Brakes, wheels, tires, exhaust pipes, lights, horns or other sounding devices, and all other mechanical and electrical components of all vehicles, trailers and specialty vehicles, including, but not limited to, scooters, ATV's and segways, shall be in good condition and in complete legal working order. Brakes shall be in a condition sufficient to stop any vehicle in a quick manner, and with a loaded trailer as applicable. No extra gasoline may be carried on any vehicle or trailer at any time during the parade. Vehicles shall be capable of maintaining a minimum constant speed of ten (10) miles per hour.

3. **Vehicle Servicing.** All vehicles to be used in the parade, including those pulling trailers and self-propelled vehicles, shall be serviced for gas, oil, water, tire inflation and battery charging prior to reporting to the staging areas for the parade.

4. **Towing.** All trailer hitches and connections to a vehicle shall be in good condition and in complete legal working order on the date of the parade, and shall comply with all applicable laws and standards. Primary and secondary connections shall be appropriate for the normal and anticipated loads.

5. **Vehicle Insurance.** Vehicles licensed for highway use shall have proof of insurance in terms and coverage satisfactory to the Chamber, and such proof shall be kept in the vehicle at all times on the date of the parade and presented to the Chamber upon its request.

6. **Vehicle Decorations & Driver Vision.** Decorations shall not cover the exhaust pipe or be placed in a position where they may interfere with the exhaust system. Exhaust pipes shall clearly extend beyond all decorative materials on the vehicle and trailer. All decorations shall be made of fire retardant materials. Decorations shall be designed to allow the driver one hundred eighty (180) degrees clear vision to the front and sides of the trailer and vehicle. If one hundred eighty (180) degrees vision cannot be provided to the driver for any reason, one or more spotters with clear vision of all obstructed areas shall be in or on the vehicle or trailer at all times during the parade, and shall act as a guide for the driver. All vehicles, with or without an attached trailer, must be able to make a ninety (90) degree corner within two (2) traffic lanes.

7. **Communication with Driver.** One or more spotters shall be located on every trailer at all times during the parade, in order to immediately communicate with the driver of the tow vehicle about any problem or concern on or about the trailer that needs to be addressed.

8. **Drivers.** Drivers shall minimize abrupt starts and stops. Drivers shall maintain an adequate distance of at least five (5) seconds between other parade vehicles, and shall give special attention to maintaining a safe distance from all walkers and performers. Drivers shall have a valid driver's license, which shall be kept in the vehicle at all times during the parade, and drivers shall be in competent condition to safely operate the vehicle on the date of the parade. **Drivers must be 21 years of age or older.** No hot roding, hole shots, wheelies, or similar actions shall be allowed during the parade. Drivers shall not deviate from the Chamber-designated parade route at any time or for any reason, unless expressly directed to do so by the Chamber.

9. **Performers.** Performers shall keep up with the pace of the parade and the vehicles in the parade. Performers shall not act or perform in any manner that causes a temporary or permanent stopping or slowing of any vehicles in the parade.

10. **Animals.** Horses, dogs, cows, and any other wild or domestic animals shall not be brought to or included in the parade, or in or on any vehicle or trailer in the parade, **without the prior written approval of the Chamber.** Animals should be properly restrained. Service animals are an exception to this rule.

11. **Riders.** Children under thirteen (13) years of age shall be under constant adult supervision during the parade, and shall remain seated at all times when the vehicle is running, regardless of whether the vehicle is in motion or has temporarily stopped. Standing Participants on any vehicle or trailer shall have a device to hold, such as safety rails, barriers, or ropes, which are sufficient to prevent falling on or from the vehicle or trailer. No passenger shall cling to or ride on the outside of any vehicle at any time, regardless of whether or not the vehicle is in motion. Riders shall either remain properly inside the vehicle or on the trailer once the parade begins and at all times during the parade when the vehicle is running, regardless of whether the vehicle is in motion or has temporarily stopped.

12. **Helmets.** Anyone riding any type of motorcycle, 4-wheeler, bike, or other similar vehicle in the parade shall wear proper helmets at all times during the parade.

16. **Giveaways.** No objects shall be thrown from any vehicle or trailer during the parade. The Applicant, and its Participants, who wish to provide give aways shall have walkers along the edge of the parade route to hand out the give aways. Those walkers passing out the giveaways should be adults or of an age approved by the parade organizers. Giveaways shall be handed to individual spectators by the walkers, and shall not be thrown into any spectator areas.

17. **Firearms.** No person shall discharge firearms, noise makers, fireworks, or similar items at any time during the parade.

18. Due to repeated complaints, **super soakers and water guns** are banned from the parade.

19. Driver's visibility should not be impaired by anything. No people should be riding on hoods; no decorations blocking the vision of the driver are permitted.

19. **Safety Spot Checks.** The Applicant and each Participant understand and hereby agree that the Applicant and its Participants are jointly and exclusively responsible for the safety and compliance of every vehicle and trailer driven, used and/or included in the parade by the applicant, including the need to perform safety checks of such vehicles and trailers prior to and throughout the parade.

Failure to heed any warning, comply with these Rules, or correct any failure as ordered shall result in the Chamber's immediate and permanent removal of such person, vehicle, and/or trailer from the parade, and may bar participation in any future parades or special events. The Chamber shall have the right, in addition to any other available rights or remedies, to proceed at any time or from time to time to protect and enforce all rights and remedies available to the Chamber, by suit or any other appropriate proceedings, whether for specific performance of any covenant, term or condition set forth in these Rules, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

21. **Other Safety Matters.** The Chamber reserves the right in its sole discretion, at any time, and by any member of the Chamber Special Events Detail, which includes but is not limited to the Chamber's Officers and Board of Directors, employees, and any other designee or authority having jurisdiction over the parade to review and require the Applicant and all its Participants to comply with the Rules and/or correct any additional matter(s) of safety not currently addressed in these Rules. Failure to comply with these Rules or correct any such additional matter(s) shall be deemed as and treated as a non-compliance, as described above in Paragraph 20 of these Rules.

22. **Chamber Contact.** Questions about these Rules shall be directed to the Greater Severna Park and Arnold Chamber of Commerce by telephone at 410-647-3900.
