Candidate Tony McConkey  
207 Cypress Creek Road  
Severna Park MD 21146

Dear Candidate:

Congratulations! I am writing to let you know that the Maryland Farm Bureau PAC has voted to endorse your candidacy for the Maryland House of Delegates in District 33. Our endorsements are made based on a candidate's voting record, stated positions, actions taken in the past and on the recommendations of Candidate Evaluation Committees of the local Farm Bureaus. Some of the local Farm Bureau committees conducted personal interviews with candidates. Others held phone interviews or simply reviewed the voting records and survey responses. We are pleased to list you among the candidates endorsed by the Maryland Farm Bureau PAC in 2014.

As an endorsed candidate, you may list the Maryland Farm Bureau PAC as an official supporter of your campaign. Maryland Farm Bureau members will be encouraged to vote for you, to volunteer on your campaign and to make contributions when possible. We will also publish your name among the list of endorsed candidates on our website, in the October edition of Farm Bureau's newspaper, "Spotlight," in our magazine, "My Maryland," that goes out to 36,000 households across the state, and in candidate support ads we will run in local papers in late October. Unfortunately, Farm Bureau rules do not allow us to release the names or addresses of our members for your direct use.

We would also like to make a contribution to help you get your message delivered and encourage voter turnout on Election Day. Our contribution check will be forwarded to your office in the next few days. Thank you for your support for the farm families of Maryland. We wish you good luck in the campaign and we look forward to working with you in Annapolis.

Sincerely,

*Pam Saul*

PAM SAUL  
MFB PAC Chairman
